

MY FUEL SIGHT by BLUE PUMP SOFTWARE “Privacy Policy”

This privacy policy discloses privacy policies for Blue Pump Software, LLC and My Fuel Sight application as it applies to the information that we collect, store, use and disclose concerning users of our services.

Terms of Use:

The services that we provide are pursuant to separate terms of use posted in the portal where the services are provided. Please read those terms, as they also apply you if you use those services of ours.

Third parties:

Our services are linked to third party services. Third parties are responsible for their own privacy practices. Please read the privacy policies, supplemental notices, and settings of all websites or platforms that you visit so you can understand their privacy practices and your options.

What information we collect:

- User sign-ups and login information and contact with us
- Service purchases
- Service activations and connections to our servers
- All data and information entered into applications, whether by you or your users or third parties that you grant editing privileges to
- websites and servers, your use of browsers

We will collect information that identifies you when you create a user profile, make a purchase, edit a user profile or contact us for support.

Publicity:

We advertise our own and also third party services on our sites. We collect data on your engagement with that advertising in order to obtain compensation from third parties whose services you might use as a result of the advertisements posted on our site.

If you click on a third party advertisement, you might leave our site in which case you should review the privacy policy and terms of use of the third party hosting the site where you end up.

Information Sharing:

We do not recommend sharing personal information through our services and we prohibit our service for the storage or exchange of information.

We do not monitor or edit your content and you are solely responsible for the content you put into our services and any intellectual property rights associated with that content any any harm that it may cause to us or to third parties.

Retention policy:

We will keep personal information about you only as long as we need it to provide our services to you and to comply with all applicable laws.

Personal Information use:

We use your personal information for the following purposes:

- to provide our services
- to authenticate you
- customer support
- administer our services and your accounts
- service-related correspondence
- newsletters
- surveys
- new applications
- special offers or promotions

Third party integrations:

Our services are compatible with certain third party services. In some instances these integrations will allow for the transfer, addition, removal, editing, deletion or modification of your data or that of third parties.

In order to support our third party integrations, we will supply some elements of your account information to them in order to fulfill your requests in that regard.

Security:

We use a variety of methods to improve the security of our systems. Our personnel access to your personal information is restricted to those employees and contractors of Blue Pump Software, LLC who need to know such data to perform their function. However, despite our efforts we cannot completely ensure or warrant the security of your personal information.

Wherever we collect sensitive information such as credit card information for processing purposes, that information is encrypted and transmitted in a secure fashion to your processing company, which encrypts all data transmitted applicably in a PCI compliant manner.

Contact:

If you have any questions concerning this privacy policy or our services, please contact us at the contact information provided on the site.
